EXPERIENCE

Associate / **PKWA Law Practice LLC**

Aug. 2022 - Jun. 2023

As a junior family lawyer, I independently managed 50+ cases concurrently under the guidance of the firms' senior partners, and achieved favourable outcomes for all my cases. I leveraged an empathetic approach and strong communication skills to navigate intricate family dynamics and deliver compassionate and comprehensive legal solutions and support to my clients.

UI / UX Designer / **Freelance**

Aug. 2021 - Jul. 2022

UI / UX freelancer with a stellar track record, serving clients like Ngee Ann Polytechnic, I Can Read, immortalize.io, theGrid Singapore, EpicNgage and numerous international and local startups. As the sole designer on these projects, I am well-versed and experienced in client management, communication, design, presentations and delivering exceptional final website prototypes.

Design & Marketing Intern / **Burpple**

Jul. 2021 - Dec. 2021

Took charge of all digital and graphic collateral creation, including numerous original illustrations, visual elements, and contributing extensively to enhancing the company's brand presence. I successfully conceptualised and executed the 9.9 campaign from inception to completion. I refined my design skills, learnt business strategy and understood marketing insights, and produced content that resonated with target audiences.

Spark Founder, Cohort 1 / **Antler**

Mar. 2021 - Jun. 2021
